**Adult Sailing:** Adults who complete the sailing course can avail of further opportunities to sail and gain race experience by crewing for boat owners on Tue or Wed nights, or Sun afternoon in club racing. The club bar is open on these nights after racing.

**Youth Sail Race Training:** Young sailors join the Saturday race training sessions from 1.30 – 5 pm where they learn to compete in club and National events. Parents are encouraged to stay and help during these all year round training sessions. It is very possible to achieve competition success at Local, Provincial, and National levels, and our clubs top 14-16 year old sailors are invited to train with the National Youth Squads. Training received when young can enable a lifelong activity of sail racing, leisure sailing or coaching.
