

Marina Berth Regulations

Definitions

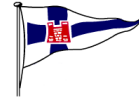

LEYC, Lough Erne Yacht Club

MC, Management Committee

General

1. Only full members of the club are allowed to hold a marina berth licence.
2. The licence is for 9 months only 1st March to 30th November and must be renewed annually before 1st January.
3. Boats must be removed from the marina by 1st December unless permission is give by the MC. This must be applied for in writing by 1st November. The number of boats will be strictly limited and an additional fee may be charged for this facility.
4. Prolonged and/or regular occupation of a boat in the marina (in the absence of the owner) by non-members of the club is strictly forbidden and will render the berth holder liable to cancellation of berth licence and possibly Club membership. Prolonged occupation is defined as being in excess of a weekend and regular occupation as being more frequently than twice a season.
5. The boat owner must have adequate third party insurance at all times.

Lough Erne Yacht Club

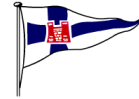

Marina Berth Licence

1. The berth licence granted to a boat owner is **NOT TRANSFERABLE**
The right to moor a boat in the LEYC marina is personal to the licensee and may not be reassigned or sub-let without the written permission of the MC. This includes allowing other boat owners to use a berth which is temporarily vacant.
2. Berths are deemed to be licensed for one season only
3. The berth licence is for **ONE** boat only
4. Annual fees are due when the application is presented and must be paid within one calendar month and returned to the LEYC club office with:
 - Full fee payment;
 - Fully Completed application form including a signed statement that adequate 3rd party liability boat insurance is in place for the duration of the berth lease;
 - Electricity Meter reading (where applicable);
 - Signed Marina Berth Regulations.

Marina Regulations

1. It is the responsibility of the boat owner to make sure that his/her boat is properly moored with bow, stern and spring mooring ropes of adequate load rating for the size of the boat and in serviceable condition. Guidance on boat mooring is available from the RYA.
2. Boat owners will be liable for damage caused to the marina by their boats either under way or moored and includes collision, chaffing, cleat damage and fire.
3. Secondary boats must not be moored alongside or to the bow or stern of the parent boat if it restricts the use of the adjacent berth or main passages between the pontoons. Occasional mooring is permitted

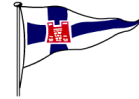

Lough Erne Yacht Club

provided the adjacent berth holder whose space is infringed is agreeable.

4. No part of a boat such as pulpits or davits, may overhang the jetties or walkways or obstruct the navigation channels.
5. Bilges must not be pumped out or solids discharged in the marina.
6. All halliards must be tied back to avoid noise and disturbance to others
7. No unauthorised power leads may be used.
8. Mooring ropes or power leads **MUST NOT** lie across walkways and pontoons.
9. Barbecuing is not permitted on any part of the marina walkways or jetties. If a barbecue is used on board a boat the owner must ensure that such action does not infringe the boat's insurance cover.
10. Berth licensees must not attach permanent fenders which are screwed or bolted to the jetties without prior written permission of the MC. Only proprietary fendering systems will be allowed.
11. Cycling on the jetties and walkways is strictly forbidden
12. Waterskiing from or in the vicinity of the marina is strictly forbidden
13. Refuse and rubbish must be put in the appropriate refuse bin.
14. Boat owners are responsible for the conduct of all users of the boat and must comply with club rules regarding visitors.
15. Boat owners and their visitors must not create excessive noise or misbehave so as to cause annoyance to other berth users or any club members.
16. The playing of loud music or other noise is not permitted and boat owners are requested that quietness should prevail after midnight.
17. Generators may not be run for prolonged periods during daylight hours and not at all during the hours of darkness, except in the event of mains supply failure.

Lough Erne Yacht Club

Health & Safety

1. Suitable foot ware which provides grip on the jetties and walkways even when wet **MUST** be worn.
2. **ALL** children using the marina must wear lifejackets and it is recommended that adults should wear buoyancy aids
3. Boat owners should make themselves aware of fire points and site fire extinguishers.
4. Dogs must be kept on leads at all times and owners must ensure that any fouling is cleared up promptly.
5. No liability shall be accepted by the LEYC, or any of its officers or employees arising from any loss or damage, of any nature whatsoever, sustained during the use of the marina berth.

Matters Concerning Marina Berths

Any matter/s concerning the marina should in the first instance be raised with the Hon. Secretary in writing. In the event of a dispute the Management Committee whose decision will be paramount, final and binding on all parties, will consider the matter/s.
